Technical Steps Needed to Launch SSO for with Wellness Coach

Google SSO with Wellness Coach

1. Go to **Google Workspace Admin Console**
2. Click on **“Web and mobile apps”** (left hand side menu under Apps)
3. Click **Add app** - on top right screen
4. Choose **Add custom SAML app**

The screenshot displays the Google Admin Console interface. On the left, the navigation menu is expanded to show 'Web and mobile apps' under the 'Apps' category. The main content area is titled 'Web and mobile apps' and features a search bar at the top. Below the search bar, there is a table with one application listed: 'Dev Wellness Coach App'. The table has columns for 'Name', 'Authentication', 'User access', and 'Details'. The 'Authentication' column for this app is 'SAML', and the 'User access' column is 'ON for everyone'. The 'Details' column indicates 'Certificate expires on Nov 30, 2025'. An 'Add app' dropdown menu is open, showing 'Add custom SAML app' as a selectable option.

Google SSO with Wellness Coach

1. Enter App name **"Wellness Coach"**
2. **App icon** -
<https://wellnesscoach.dash.app/portals/logos>
3. Click **"Continue"**

The screenshot shows the 'App details' step in a multi-step configuration process. The steps are: 1. App details, 2. Google Identity Provider details, 3. Service provider details, and 4. Attribute mapping. The 'App details' section includes a heading, a sub-heading, and two text input fields. The 'App name' field contains 'Wellness Coach' and the 'Description' field contains 'Live Healthier, Happier and Longer'. Below these fields is the 'App icon' section, which includes a sub-heading and a text label. A large blue circular icon with a white camera symbol is displayed. At the bottom right of the form, there are 'CANCEL' and 'CONTINUE' buttons.

1 App details — 2 Google Identity Provider details — 3 Service provider details — 4 Attribute mapping

App details
Enter details for your custom SAML app. This information is shared with app users. [Learn more](#)

App name

BACK CANCEL CONTINUE

1. Add Attributes
2. Select First name and app attribute as **“firstName”**
3. Select Last name and app attribute as **“lastName”**
4. Select Primary email and app attribute as **“email”**
5. Click **FINISH**

The screenshot shows the 'Add custom SAML app' configuration interface. It features a blue header with a close button and the title 'Add custom SAML app'. Below the header, there are two main sections: 'Attributes' and 'Group membership (optional)'. The 'Attributes' section includes a sub-section 'Google Directory attributes' and 'App attributes'. Three mappings are shown: 'First name' mapped to 'firstName', 'Last name' mapped to 'lastName', and 'Primary email' mapped to 'email'. Each mapping has a dropdown arrow on the left and a close button (X) on the right. An 'ADD MAPPING' button is located below the mappings. The 'Group membership (optional)' section includes a sub-section 'Google groups' and 'App attribute'. A search input field for groups is shown, with a right-pointing arrow and a 'Groups' input field. At the bottom of the page, there are three buttons: 'BACK', 'CANCEL', and 'FINISH'.

Attributes

Add and select user fields in Google Directory, then map them to service provider attributes. Attributes marked with * are mandatory. [Learn more](#)

Google Directory attributes		App attributes

Wellness Coach access to your team

1. Go to **User access**
2. **ON** for everyone
3. Or - Give permission to the groups

This screenshot shows the Google Admin console interface for the Wellness Coach app. The left sidebar contains a navigation menu with categories like 'Apps', 'Additional Google services', 'Web and mobile apps', 'Marketplace apps', 'Generative AI', 'Security', 'Data', 'Reporting', 'Billing', 'Account', 'Rules', and 'Storage'. The main content area is titled 'Wellness Coach' and includes a search bar at the top. Below the search bar, there are several configuration sections: 'SAML' (with options for TEST SAML LOGIN, DOWNLOAD METADATA, EDIT DETAILS, and DELETE APP), 'User access' (with a dropdown menu set to 'OFF for everyone'), 'Service provider details' (showing Certificate, ACS URL, and Entity ID), and 'SAML attribute mapping' (showing email, firstName, and lastName attributes).

This screenshot shows the Google Admin console interface for the Wellness Coach app, specifically the 'Service Status' configuration page. The left sidebar is identical to the previous screenshot. The main content area is titled 'Wellness Coach' and includes a search bar at the top. Below the search bar, there are several configuration sections: 'All users in this account' (with a dropdown menu set to 'Groups'), 'Service status' (with a dropdown menu set to 'ON for everyone'), and 'Service status' (with a dropdown menu set to 'ON for everyone'). The 'Service status' section includes a warning icon and text: 'Most changes take effect in a few minutes. Learn more'. At the bottom right, there are 'CANCEL' and 'SAVE' buttons.

Share metadata to Wellness Coach

1. Download **METADATA**
2. **Share the xml file to Wellness Coach team**

The screenshot shows the Google Admin console interface. On the left is a navigation sidebar with categories like 'Apps', 'Security', and 'Reporting'. The main content area displays the 'Wellness Coach' app details, including a 'SAML' label and a 'DOWNLOAD METADATA' button. A modal dialog titled 'Download metadata' is open in the foreground. The dialog contains the following text: 'To configure single sign-on (SSO) for SAML apps, follow your service provider's instructions. [Learn more](#)'. Below this, there are two options: 'Option 1: Download IdP metadata' with a 'DOWNLOAD METADATA' button, and 'Option 2: Copy the SSO URL, entity ID, and certificate'. Under Option 2, there are three input fields: 'SSO URL' containing 'https://accounts.google.com/o/saml2/idp?idpid=C010j99b', 'Entity ID' containing 'https://accounts.google.com/o/saml2?idpid=C010j99b', and 'Certificate' containing 'Google_2025-11-29-15535_SAML2_0' with an expiration date of 'Expires Nov 30, 2025'. A 'CLOSE' button is located at the bottom right of the dialog.
